

ON THE PASSING OF REP. SHEILA JACKSON LEE

July 20, 2024

Sheila Jackson Lee
1950 - 2024

Last night we lost one of the longest-serving community leaders Houston has ever had. I extend my deepest condolences on the passing of Sheila Jackson Lee, a dedicated US Representative for decades. Her commitment to public service and her contributions to our community will be remembered for many years. May her family find comfort during this difficult time.

It does not matter what party you're in. This is a time to put politics aside. A death is a time for mourning, reflection, and conciliation.

Our prayers should be with Sheila's family, friends and all those who loved her.

I hope that whoever fills her seat serves the district and the nation in a manner consistent with the best interests of the people and the constitution.

But for now, let us pray and remember what is important in our lives: our family, our faith, and our great nation.

Sincerely,

Claudio J. Gutierrez, PMP
Candidate for House District 147
